Seamont, Autograph Collection Residences

Location: Reem Island, Abu Dhabi
Year: 2025
Status: Under Construction
Program: Branded Residential Complex

Set against the timeless backdrop of sea and sky, Seamont offers an unparalleled interior design narrative, harmonizing natural beauty with refined luxury. Every detail of Seamont's interiors has been thoughtfully curated to reflect a sense of balance and timeless elegance, inspired by its prestigious waterfront setting on Shams Reem Island.

As part of Marriott's Autograph Collection, Seamont's interior spaces seamlessly integrate world-class luxury with personalized amenities. Residents will find an interior palette that draws directly from the ocean's hues and the skies' vastness, creating serene spaces that embrace natural light and flow. Every apartment and duplex is designed to maximize views, encouraging a seamless transition between indoor comfort and outdoor inspiration.

Living

Studio

Seamont's vision is one of luxurious ease: concierge services, valet parking, and a host of personalized, hotel-style amenities extend the feeling of indulgence into every corner of the home. The collaboration between Marriott, SAAS, and Royal Development Holding has resulted in a project with interiors that transcend mere aesthetics to offer a lifestyle-driven environment tailored to the most discerning residents.

Seamont promises a home where design and nature converge seamlessly, delivering a sanctuary that celebrates both the expansive beauty of its surroundings and the intimate grace of well-crafted interior spaces.
